

The ESA Business Incubation Centre Barcelona (ESA BIC Barcelona) opened in 2014. It is managed by Barcelona Activa and supported locally by renowned public administrations and institutions, namely Area Metropolitana de Barcelona, Diputació de Barcelona, Consell Comarcal del Baix Llobregat, Universitat Politècnica de Catalunya – Parc UPC and Caixa Capital Risc. Located in Barcelona, Spain, this incubator offers start up support and technical expertise for the creation of innovative companies.

## About AISTECH SPACE

The main purpose of the company is to become a world wide Big Data Analytics firm dedicated to capture, transform and manage information related with asset tracking using AIS, ADS-B signals and Thermal image from space. For doing so, we will use our own nanosatellite constellation.
