The challenge

Founded in 2009, FlyOps is a specialised company which delivers outsourced Flight Dispatch Service to a large range of different customers.

Our Flight Operation Center is opened H24/7 and provide services worldwide.

We support our customers operating either in private, business or commercial flights, even without notice.

We propose you tailored solutions for your operations, on demand or with subscription.

Today, we are proud to serve more than 100 private customers operating 120 aircraft and 21 State customers operating 450 aircraft which represents in total more than 30,000 handling operations support by year.
