The challenge

GAME CASUAL USERS

Approach NavQuest in the nature of a social game, competing, striving for real-world benefits, sharing achievements, and contributing to an ever-growing pool of quests.

GUIDE TOURISTS AND STUDENTS

Use NavQuest with specific quest sets as a guide and instructional tool

TOOL PROFESSIONAL USERS

Utilize NavQuest to automatically document work processes involving steps to be completed at several locations

The solution

NavQuest UG is hosted at ESA Business Incubation Centre (BIC) Darmstadt, run by the German company cesah. This has provided the opportunity to consult ESA experts who have supported with technology insights and ideas to improve the system.

In addition, especially the support provided by cesah in relation to general business activities has been very helpful
